Product Description

If you have a microplane zester and access to organic Sorrento lemons, you can distill and bottle a fine limoncello to rival Italy's best. Not so easy to replicate: our extraordinary, softly textured Limoncello Shirt - unless you know how to soak flax, own a mulberry tree, and have mastered the weaving skills required to achieve this sunny, subtle play of Mediterranean color. Ours comes fully mixed with a single patch pocket, shell-style buttons, and two-position cuffs with button-through sleeve plackets. 60% linen, 40% silk. Machine washable. Imported in Multicolor.
